Dear Vendor,

**PLEASE READ THIS HANDBOOK.**

There are constant changes and you must be aware of times, dates, and regulations to make the most of your fair experience. This handbook is part of your application agreement and reading the complete handbook is the only way to know the content.

Vendor Applications are due either in the vendor email or postmarked by May 1st.

All booths must be open and operational during fair hours:

Saturday and Sunday from 12:00 P.M. to 8:00 P.M. the first two weekends in June.

We have had frequent bear interactions in the past and we want to minimize these encounters. So, before you leave the grounds after The Fair each weekend, please make sure all food related garbage, such as opened or unopen food items, are either discarded or removed with you. Also, please make sure to remove all food related equipment or thoroughly clean it. On a similar subject, please make sure all discarded building materials are taken to the garbage before you leave The Fair and are not left behind. The ground space should be left in the same condition as when you arrived.

## II. LEGAL INFORMATION

**This Handbook is part of the Lease Agreement. The lease agreement you sign states “Vendor, by entering into this lease agreement, agrees that he/she has received, read, understands, and agrees to abide by the rules and regulations governing the use of the leased space, all identified in the Vendor Handbook which is made part of this lease agreement.”**

Extra copies of the *Vendor Handbook* are available at [www.3barons.org](http://www.3barons.org)

Three Barons Renaissance Fair, Inc. (The Fair) is a private non-profit corporation with principal offices in Anchorage, Alaska. The Fair leases space for the exhibition, sale, and distribution of products, services, information, and other items. Lease agreements define the use and occupancy of certain small spaces of The Fair’s real property located on the fairgrounds and referred to as “spaces.” Any company, partnership, institution, or individual over 18 years of age may apply for a space.

It is the position of The Fair management that all patrons be treated in an equal and courteous manner so that they can participate in the fun and enjoyment The Fair offers while insuring a safe and enjoyable experience.

This handbook defines the conduct of the vendor and how the leased spaces are used. The Fair reserves the right to interpret, amend, revise, and delete these rules and regulations as it deems fit, and at its sole discretion, in order to achieve the maximum benefit for The Fair, its patrons and vendors.

Should the actions of any vendor require the cancellation of the lease agreement during the time of The Fair, the vendor will be required to move everything immediately upon notification to vacate the premises and shall forfeit any lease fees already paid.

Non-conforming situations, which exist at the time of a new rule, may be allowed at The Fair's option, but may be called into conformity in the future.

#### **A. Indemnity**

##### *i. If a Vendor does not buy insurance from The Fair*

The Fair shall not be held liable for any debt, tax, or assessments incurred by the vendor, in the operation of his concession nor for any salary or expense due to any of his employees. The Fair shall not be liable for the result of any accident or damage to any person or article employed by, or in possession of the vendor while on The Fairgrounds, whether such accident, loss or damage occurs during the time of preparation, the period of occupancy, or at the time of removal. In consideration of the privileges granted by this contract, the vendor agrees to protect and indemnify and hold harmless The Fair from any and all claims for damages, demands or suit, arising from injuries or damages sustained that may result either directly or indirectly from the activities and business of the vendor in connection with this contract.

##### *ii. If a Vendor buys insurance from The Fair*

The indemnity clause is lifted to the extent that The Fair's Limited Liability Insurance covers the Vendor. Anything not covered by the Limited Liability Insurance is also not something The Fair can be held responsible for.

#### **B. Conduct of Business**

Vendors shall ensure that all their employees, and representatives shall conduct themselves and their operations in a courteous and friendly manner; and that the booth space is kept clean, with no accumulation of trash, unsightly, or combustible material. Any actions found offensive or obnoxious by The Fair shall be immediately terminated upon notice by The Fair. Vendors shall refrain from communicating negative comments concerning other fair exhibitors, exhibitor's products, services, or information. Any vendor who persistently interferes with the operation of any other vendor after being notified of the interference, is subject to removal from the grounds.

#### **C. Lease Agreements**

Every individual or company doing business on the fairgrounds during the Three Barons Renaissance Fair must have a signed lease agreement regarding that activity. The Fair lease agreements are not transferable without approval from The Fair management. A business, organization, or individual may not assign their space, or any part of their space, to another party. The vendor manager must approve partnerships and co-ops. If your organization is a corporation you must submit your corporate papers with a list of current officers to The Fair. All updates must be submitted in a timely matter.

Vendors shall not exhibit, sell, or give away any merchandise or products not listed on the lease agreement, nor shall they exhibit any advertising material not directly pertaining to the products listed.

The Fair is private property. All solicitations must either be contributions or sales made from within the confines of the booth display area that has been leased from The Fair or a Vendor Manager approved Roving Vendor. Begging or soliciting is prohibited. Tacking or posting of any advertisement, bill, sign, banner, or printed matter other than within the contracted space is prohibited. Anyone violating this rule is subject to immediate removal from the Fairgrounds.

Any change of location to another space will be determined at the discretion of The Fair according to space availability and type of product. When necessary, and in the best interest of The Fair and the fairgoers, a vendor's space may be changed to a location different from the previous year. All spaces are leased on an "as is, where is" basis, and specifically without warranty to condition. All monies delivered to The Fair in connection with leased space are non-refundable unless otherwise determined by the Vendor Manager. If a vendor does not agree with the Vendor Manager's decision, an appeal can be made first to the Treasurer. If a vendor does not agree with the Treasurer's decision, a final appeal can be made to the Board.

Vendors from the previous fair season do not have an automatic right of return. Vendors are permitted to apply for more than one booth of any type. Vendors who have violated regulations may be issued a written warning or at the discretion of the vendor manager may not be allowed to return to future fairs.

In order to provide for a safe fair atmosphere all fair participants such as actors, vendors, and related staff must abide by the following regulations: any vendor who fails to make sure sales in accordance with this policy (below) shall be removed from the grounds and may not sell such items again. A notice of The Fair's weapons policy must be provided to each purchaser in written form. Once an application has been approved, a Vendor must submit a written request for inventory changes, additions, or deletions for subsequent approval by the Vendor Manager. Vendors may not use the name “Three Barons Renaissance Fair” or its logo. The Three Barons Renaissance Fair promotes itself as a family event. Keep this in mind when choosing products and services for the Fair.

It may become necessary for the Fair to deny space requests or the sale of specific merchandise. It is the policy of The Fair to protect the sales those booths that are run by The Fair itself. Therefore, items sold by booths run by The Fair are not allowed to be sold by any other booth.

### **A. Weapons for Sale**

Vendors may sell weapons at the Fair in compliance with any applicable local, state, or federal laws if they ensure that the weapon is properly peace tied or restrained prior to the buyer leaving their booth. After 11:59 pm Wednesday, June 13, all structures or belongings not pre-arranged to go into storage or be moved will become property of

The Fair and a \$50 fee will be assessed. *Please leave grounds space in the same condition as when you arrived. Do not leave garbage or discarded building materials behind.*

The Fair requires three (3) feet between all booths. Stay within your marked area, please!

All building construction must be completed by noon, Saturday, June 3. The Fair is a safe work place and all vendors and contractors shall comply with local, state, and federal regulations. Vendors are responsible for all aspects of safety in connection with any work performed by themselves or a contractor. All building construction and maintenance performed on the fairgrounds shall follow OSHA standards and guidelines. For detailed information visit the OSHA website at [www.osha.gov](http://www.osha.gov). Vendors shall not operate equipment owned or controlled by The Fair.

The booth structure (including eaves, overhangs, holding tanks etc.) must fit within the confines of your leased booth space (check lease agreement for dimensions). No part of the operation can be in the marked 3 feet between booths. Variations from this rule must be pre-approved by the Site Manager, through the Vendor Manager.

Remember, large structures are difficult to setup and take down quickly. The Fair recommends a structure no larger than 10' x 20', including eaves.

#### **D. Construction Materials – Restrictions, Requirements, & Recommendations**

Visqueen, clear plastic, or blue tarps may not be used in booth construction. Vendors may use factory-made tarps with finished edges, which fit securely and professionally. All tents, tarps, and canvases must be made of fire retardant material, U.L. listed. Booths should be in good structural condition and securely built to withstand strong winds and heavy rains.

Construction work on booths during The Fair's operating hours is not permitted. Minor alterations or additions to your booth after the start of The Fair must be done before or after fair hours each day. Please keep sound ordinances in mind if doing any construction.

#### **E. Signs & Advertising**

A prominent identifying sign, professional in appearance, shall be posted at vendor's sole expense, within the confines of the leased space. The maximum height is 16 feet. No one shall display any form of political advertising or disseminate political propaganda unless the individual lease agreement permits such a privilege. Signage, if not directly related to the participating vendor, is not allowed. If found, the unauthorized signage shall be removed and the offending vendor may be charged a \$50 clean-up fee.

#### **F. Utilities**

##### *i. Electricity*

Electricity is not included with the leased space unless otherwise purchased. Electricity is available on a first come, first served basis, with preference going to food vendors and approval by the Vendor Manager if not a food vendor. Those vendors who get electricity may use one 110 volt (20 amp) electrical outlet from the pedestal nearest the leased space. If a vendor has higher electricity needs, please speak to the Vendor Manager, who will coordinate with the Site Manager.

It is the vendor's responsibility to provide heavy-duty extension cords to transmit electricity to their booth. All cords must be waterproof, rated for outdoor usage, and gauge appropriate for the number of amps. No romex wiring is allowed on the exterior of your booth, except as permitted by NEC. Alterations to The Fair's electrical system are not allowed. Electrical work must be completed to State Code.

Electrical appliances, which are used for the personal convenience of vendors, (coffee pots, space heaters, hot plates, etc.) should be used conservatively. A costly power failure can result from overloading circuits. After hours electricity may be drawn only from outlet used for the booth.

Do not construct any part of your booth operation over or restrict access to our electrical boxes. Do not block the electrical boxes or cords in any way; the maintenance crew must have access to them at all times.

Digging holes into the ground is not permitted without prior approval from The Fair. There are several areas that could be a potential water, electrical, or gas disaster on the grounds. Violators risk losing the privilege of returning for future fairs and will be assessed damages if applicable. Lease space must be left in the same condition as found.

*ii. Garbage*

All garbage shall be placed in Fair provided containers. Any vendor generating a large amount of refuse (i.e. corn husks, bread dough, peels, wood chips, animal waste) must be responsible for placing their garbage in fair dumpsters or arrange for disposal. Grease shall be disposed of in a container with a secure lid and arrange for disposal on a daily basis.

*iii. Waste-water facilities*

Waste-water facilities are not available on The Fairgrounds. Sinks and other facilities in any booth must be self-contained. Dumping water, grease, chemicals, etc. on the ground, in storm drains, or in the Porta-Pottys is strictly forbidden and is cause for immediate cancellation of vendor agreement. The Vendor is responsible for removing chemicals, paints, and all hazardous refuse in a safe and responsible manner.

## **VII. PARKING & TRAFFIC CONTROL**

### **A. Vendor Parking Lot**

Vehicle Permits are required for access to The Fairgrounds starting at 10:00 am, Saturday, June 3. There is one Vendor Parking Lot. The Vendor Parking Lot is first come, first served. Having a Vendor Parking permit is not a guarantee of available parking within the Vendor Parking Lot. If the Vendor Parking Lot is full, or if you prefer not to park there, you will need to find parking off The Fair site.

**ALL VEHICLES WITHOUT PROPER CREDENTIALS OR ILLEGALLY PARKED WILL BE IMPOUNDED AT THE OWNER'S EXPENSE.**

Campers, motor homes, or units over 25' may not park behind vendor booth space.

### **B. Traffic Control**

No vehicles are permitted on The Fairgrounds during 11am to 8:30pm.

With the approval of the Site Manager, vehicles are allowed on The Fairgrounds each morning, but must be cleared from the grounds by 11 a.m. Unless other instructions are given, all vehicles are to circle the site in a counter-clockwise fashion to prevent accidents in the blind corners.

Again, with the Site Manager's permission, vehicles will be allowed back on the grounds at the end of the day when Security clears the site, which will be approximately 30 minutes after The Fair closes.

## **VIII. SAFETY & SECURITY**

### **A. Security**

The Fair provides security 24 hours a day, beginning the first day of set-up, for the safety of fair staff, vendors, and patrons. The Fair takes no responsibility for theft, loss, or vandalism of any type. This is the vendor's sole responsibility.

True security problems (theft, vandalism, bears etc.) should be reported to the Vendor Manager or Security so proper authorities can be contacted. All vendor issues should be taken to the Vendor Department. The Vendor Manager can be reached at vendors@3barons.net.

### **B. Emergency Procedures**

The Three Barons Renaissance Fair Emergency Plan is adopted by the Board of Directors and is revised from time to time.
